

A PLACE TO BEGIN

You can start with a question.

A new school year brings a lot. Make space for a conversation about what your family needs.

- 01 How are we doing?
- 02 What feels overwhelming?
- 03 What would help us now?

Let this guide start a conversation. You do not need to have every answer before reaching out.

LET'S TAKE THE NEXT STEP.

Call us to discuss your family's needs and next steps.

A FAMILY GUIDE TO GETTING STARTED

Your family. Your goals. A next step.

A conversation can begin wherever you are.

01 OUR ROLE

Stronger families. Connected support.

Student success

School engagement, attendance, resilience, and resource connections.

Behavioral-health access

Help understanding options and connecting with qualified providers.

Family stability

Navigation of practical needs and community resources.

02 START A CONVERSATION

A space for your questions.

Share your goals

Tell us what matters most to your family.

Learn about options

Ask about available support and connections through community partners.

Understand the details

Ask about eligibility, costs, and how services work.

03 TAKE A NEXT STEP

Let's talk about your goals.

Bring one question

You can start with whatever is on your mind.

Include your student

Invite them to share their own goals and questions.

Plan your follow-up

Ask for the best contact and the next step for your family.

REACH Health & Wellness, Inc. develops and coordinates initiatives for families and communities and serves as the backbone organization for MSSN.

YOUR FAMILY'S PRIORITIES COME FIRST.
